

Johannes Gutenberg University Mainz (JGU) is one of the largest universities in Germany. Thanks to its location in the Rhine-Main science region, the university can unfold to its full potential and showcase its innovative power and dynamism. Its status as a comprehensive university allows for multidisciplinary learning and teaching and has great potential for internationally renowned, interdisciplinary research. Almost all of its institutes are located on a single campus close to the Mainz city center – creating a lively academic culture for researchers, teaching staff, and students from every continent.

Faculty 02: Social Studies, Media Studies & Sports / Department of Educational Science / Junior Research Group General Educational Science of Johannes Gutenberg University Mainz

Academic staff member

part-time (75 %)

The position (Doctoral Student) is to be filled in the Junior Research Group Philosophy of Education under the direction of JProf. 'in Dr. Lilli Riettiens.

Your tasks:

- Participation in research, teaching and self-administration in the field of philosophy of education, with particular emphasis on the history and theory of education
- Acquisition of and participation in research projects of the research group
- Teaching (3 semester hours per week) in the Bachelor's and Master's programmes in Educational Science, in particular in the field of child and youth education
- Carrying out self-administration tasks

Your profile:

In addition to the general requirements according to public services law, applicants must meet the recruitment requirements stipulated in § 57 of the *Hochschulgesetz* of Rhineland-Palatinate.

- A successfully completed scientific university degree (Master's or equivalent) in Educational Sciences or a related subject
- Very good knowledge of and a strong interest in the field of the History and/or Philosophy of Education, especially in the area of Postcolonial and/or Feminist Theories
- Very good knowledge of German and good knowledge of English
- Extensive skills in structured scientific work as well as a strong organizational ability and independence
- excellent interpersonal skills, especially in the areas of teamwork and communication

What we have to offer:

- A stimulating and interdisciplinary working environment
- Active participation in (inter)national conferences and collaboration on publications, support for independent conception of publications, talks, and conferences
- Collaborations and in-depth experience in research, teaching, and committee work
- Active support for your own academic qualification (doctorate)

The position is paid according to **EG 13 TV-L** and to be filled at the earliest opportunity. The position is limited to a period of 3 years.

The position serves the purpose of academic qualification (doctorate).

JGU is diverse and welcomes qualified applications from people with varied backgrounds.

We aim to increase the number of women in the field of research and teaching and therefore encourage female researchers to apply.

Candidates with severe disabilities and appropriate qualifications will be given priority.

Are you ready for a new challenge and interested in this varied and responsible position? Then submit your complete application [*cover letter, CV, relevant (work) certificates (with German recognition if applicable)*] by **April 22, 2025**, via the „Apply now“ button.
